

# Pillars of Excellence Sponsorship Program

Demonstrate your commitment to the Digital Forensics and eDiscovery community by becoming a Pillars of Excellence sponsor. Your funds will be used to support the community through our various programs.

Your \$ 3,500 contribution will help drive excellence through ASDFED's programs focusing on advocacy, education and research.

Support your community with a contribution!

Let us help you reach the community!

## Benefits for 12 months

- Premium logo placement on our national site - [www.asdfed.com](http://www.asdfed.com).
- Logo placement on our national sponsorship banner.
- Two flyers placed in our new member packets.
- Primer logo placement within two of our national newsletters.
- Inclusion of 12 events on our online calendar.

## Mission

The American Society for Digital Forensics & eDiscovery (ASDFED) is a not-for-profit organization 501(c)3. We are dedicated to the advocacy, education, research and distribution of information related to digital forensics and electronic discovery best practices. ASDFED accomplishes these goals through multiple avenues, including conferences, online forums, publications, electronic newsletters, training programs, and workshops.
